Contract Agreement for EMDR Group Consultation

Group Consultation Information

This agreement outlines the expectations regarding group consultation toward EMDRIA Certification in EMDR. Consultation groups for clinicians seeking EMDRIA Certification are structured as follows:

- According to EMDRIA requirements, the maximum group size for EMDRIA Certification consultation is 8 consultees. I prefer to run a smaller group and the maximum number of participants I allow in the group at any one time is 6 consultees. I have chosen to limit the group size to 6 consultees so that everyone in the group has an opportunity to present case material during each meeting.
- Consultees will accrue hours to use towards the 20 hours of consultation required for EMDR certification. 10 hours can be group consultation. Consultees will present current/recent case material on all 8 Phases in order to obtain documentation hours of group consultation toward EMDRIA Certification.
- Consultees are expected to come prepared to present case material. It is suggested to present cases using the EMDR case presentation form (I will provide this to you before the first meeting)
- Do not include any information that will identify the case you are presenting.
- The group will meet for 2 hours. All meetings will be held virtually on Zoom (link will be emailed prior).
- As I am a consultant-in-training, you may complete up to 15 hours with me and the remaining with a certified consultant. I do require at least 1 hour of individual consultation in order to complete the required paperwork. You will be required to present a case that demonstrates mastery of the 8 phases of EMDR Therapy. My fee for individual consultation is **\$50/hour**

The following items are due (sent via email) prior to Session 1:

Consultation vs Supervision

Consultation is not supervision. Consultation focuses on mastery of standard EMDR therapy and integrating EMDR into your practice. You are responsible for the therapeutic relationship with your clients and competency in the modalities you offer. As a consultant, I do not hold liability for how you practice. If you are seeking consultation toward EMDRIA Certification, I will be evaluating your proficiency and fidelity to the standard EMDR therapy and your awareness of situations in which modifications to standard EMDR therapy are necessary in order to safely and effectively treat the client.

Please send your completed consultation agreement to me prior to the first group consultation session.

I have read and understand and agree to the above conditions and expectations.
